APPLYING FOR MISAHUB

## PROFILE

In the field of **coding** I have made few projects in python and My-sql in school for practicals. I am very hardworking and punctual person and open to learn new things. When I came to know about misahub, and everything I will be able to learn here, i wanted to join it. In the beginning I might take sometime to learn, but after that I will give my 100% for the projects or tasks assigned to me. I have a good interest in research as well. I would request the core members to kindly give me this opportunity to be a part of such a great platform.
